

## Vape Cart Disclosure

This product was produced using terpenes derived from sources other than cannabis. This product has been tested for contaminants, including Vitamin E Acetate, with no adverse findings. **WARNING: Vaporizer Products may contain ingredients harmful to health when inhaled.** The cartridge holding the vape concentrate is manufactured by Jupiter and comprised of the following components: glass fluid holder; glass mouthpiece; SnCo-plated brass atomizer shell, base and airway tube; nichrome heating element; ceramic wick; cellulose atomizer retaining wrap; and silicone seals. If you wish to inspect a copy of the associated testing results of this vape cart at Triple M's dispensary, please let your dispensary agent know and they will be happy to review them with you. Triple M does not use any Polyethylene glycol (PEG) or medium chain triglycerides (MCT) in producing its vape carts.

If you wish to inspect a copy of the associated testing results of the product you are purchasing, please let your Triple M dispensary agent know and they will be happy to review them with you.

### ACDC 1:1 Vape Cart

Ingredients: Cannabis distillate oil (.57g/95%) and botanically derived ACDC terpene blend manufactured by True Terpenes (0.03g/5%), comprised of the following terpenes:
